Hi! My name is Paul. I'm thirteen and I'm an English boy. This is Cumbria, my beautiful city! It is in the North of England and not far from Scotland. There are a lot of things to do and places to visit so I like Cumbria very much. It has small towns, very big lakes, mountains and lots of trees everywhere. Many tourists visit my city in the summer for its amazing landscape.

I've got a sister and a brother; Sally and Joe. Joe is two years younger than me and we go to the same school. Sally is a lot older than us. She goes to the University of Cumbria. We live in a big house near our school with our parents.

It is colder and wetter here in the North than in the South but it isn't always bad. When it's sunny, we wear shorts and t-shirts and go to a park to play cricket with our friends or swim in one of the lakes. If it rains, we don't go out but that doesn't stop me from having fun. I look out of my window and paint the beautiful mountains to feel happier. Sometimes it's windy and that is great weather for flying kites. We put on a coat or a jumper and go to the park again. We have a kite flying contest and Joe is always better than all the other kids.
